It will be time to unwind and rewind at the 29th Hatfield Reunion, announced co-chairs Chelsea Tibbitts and Karen Bowe. The Reunion will bring back a collection of favorite activities that created great memories and exhibited Hatfield creativity. Chelsea and Karen are putting together a program that returns to the best of past Reunions.

The Reunion will be at Jenny Wiley State Park in Prestonsburg, Kentucky, from July 31 – August 3, 2014. The first Throwback will be door decorations. The theme for door decorations will be your favorite year of the Reunion. Prizes will be awarded for Best Overall, Best Use of Theme, and Funniest Use of Theme.

For those who arrive on Thursday, we will hang out at the pool beginning at 7:00 PM. Friday is a day of leisure until the horseshoes start clanging and the playground is filled with laughter at 4:00 PM, followed by Jeff and Polly's Picnic at 5:30 PM.

While, a main dish will be provided, please bring your own table service, drinks, and any side dish you would like to share. After our picnic, Roger Blackburn will be the auctioneer at our Throwback Auction, featuring tasty items and specialty items. The items donated by family members and the money raised are so important because they provide the major support for the Reunion and other Jeff and Polly Hatfield family activities.

After the picnic and auction, the world premiere of a Hatfield family film will take place at the Lodge as we gather for a Throwback PJ Party. Prizes will be awarded for the best PJ outfit in a 12-and-under group and best PJ outfit in the over-12 group. In addition, anyone interested in the Anderson Hatfield Cemetery Revitalization Project can join into the discussion at the Lodge.

On Saturday we will start with the 23rd Bill Morris Memorial Golf Tournament. It is a scramble to encourage family players of every level to come out for the fun. There will be games at the pool in the afternoon and our Throwback Hatfield History Session.

Later on Saturday, we will start with dinner at 6:00 PM and then have a business meeting and awards. After the business meeting, our Throwback Games get underway.

A breakfast buffet will be served at 8:30 on Sunday morning at the Lodge.

## The Good Times Rolled at the 2013 Reunion

The Jenny Wiley Lodge was transported back to the 1950s for the 2013 Jeff and Polly Hatfield Reunion on August 1-4, 2013. Pictures of Belfry High School and Hatfield

Co-chairs Denise Cooper and Joy Kay Hatfield

cousins lined the walls, along with the 1950's prices of common items. Led by co-chairs, Denise Cooper and Joy Kay Hatfield, the family experienced the 1950s all over again in their saddle oxfords and letter jackets.

*Oh What a Nite* reprised *This is Your Life* to surprise the family's elder statesman in a tribute

to Paris Blackman. Paris, who came into the family when he married sixteen-year-old Phyllis in 1952, was feted by a wonderful slide show and commentary by Roger Blackburn.

Next came the Arthur Godfrey Talent Scouts with guest host, Joy Kay Hatfield. The Talent Scouts featured Maggie Blackburn and Charlotte Craig performing to "Ain't No Mountain High Enough" and the Hatfield Sisters (aka Sidney Hatfield, Brooke Hatfield, and Brittany Hatfield) singing "You Better Shape Up." Mattie Noonan and Bennett Caudill showed off their cheering talents, while Brittany soloed "You're Gonna Miss Me." Arthur's special guest

was Elvis (aka Tom Hatfield) who performed his newest hit single, "You Ain't Nothing but a Hound Dog."

Family teams competed in popular

1950s contests such as bubble gum blowing, jacks, marbles, and hula hoop. Asher Bowe was so smooth with the hula hoop that he absolutely dominated that event for his team. The funniest event was a dressing relay game in which team members had to see who could dress and undress the fastest using classic fashions. Since one member of the relay team had to be a male, the pictures of Ryan Noonan, Roger Blackburn Jr., Jason Mays, Larry Tschaenn, and Trey Wright are masterpieces.

Elvis makes a surprise appearance at the 2013 Reunion

During the business meeting the family discussed placing some benches at the Anderson Hatfield Cemetery. Several branches of the family pledged money to place some benches at the cemetery. In addition, the family agreed to a work date to update the inventory of the cemetery for the upper portion of the cemetery. In addition,

Robin Felty explained the very special needs of Caleb Hatfield and the push to obtain a vehicle suitable for his transportation. The family pledged \$500 to aid in getting a vehicle for Caleb.

The 2013 Reunion kicked off on Thursday evening, as early arrivals gathered for a Belfry High School Pep Rally around the Jenny Wiley pool.

The Pep Rally was a prelude to **Jeff and Polly's Earth Angel Tour** on Friday morning. Two vans of Hatfield cousins set out on to explore our family history. Cousins discussed the migration of our ancestors into the Tug River Valley and visited the graves of Hatfield, Runyon, and Stafford great-grandparents. Shelley Rader found an inscription of the back of a stone that confirms the burial place of Polly

Zack and Roger Blackburn hold the imaginary horseshoe trophy for their win

Margaret Runyon Hatfield's mother, Parmelia Lowe Runyon. In addition to the excitement of all the discussions on the tour, one of the vans almost went over the edge of the road making its way up or down from one of the cemeteries—causing an exit of the van, a lot of pushing and tugging, and an increase in everyone's heartbeat.

Phyllis Blackburn, Teresa Craig, Sharon Blackburn, and Kim Blackburn hosted Jeff and Polly's **Blueberry Hill** Picnic—an annual treat for family members. Roger Blackburn and Zack Blackburn won the annual horseshoe tournament that started the

picnic off. A highlight of the picnic was a display of Polly Margaret Runyon Hatfield's personal belongings provided by Sheryle Sullivan. Family members could see Polly's pipe, glasses, a lock of her hair, and her purse.

Roger Blackburn once again proved his prowess as an auctioneer. The Picnic Auction garnered \$1,926 on Friday night to fund the Reunion.

In addition to the many homemade delights like stack cake and Italian cream pie, which have been family favorites for generations, new items found their way to the auction block.

Laura Cooper had created painted plates with Reunion themes and JB Bove made a beautiful jewelry box. The creativity and talent in the family make the auction an interesting event every year.

proved once again how competitive our family golfers are. Ryan Noonan's team of Tom Hatfield, Gary Craig, and Jack Caudill and Kelly Craig's team of Roger Blackburn, Larry Tschaenn, and Zack Blackburn both finished at -4. At the end of their playoff, the Noonan team carried home the trophy. Ryan Noonan had the long drive for the men, Nina Rose Hatfield (who put up \$100 for the woman who won the longest drive among the women) had the longest drive for the women, and Cory Craig was the closest to the pin.

In the early afternoon, Cassie Caudill put everyone into action as the *Splish Splash* Games were held at the Jenny Wiley Pool. This is always a fun event focused especially for the younger family members.

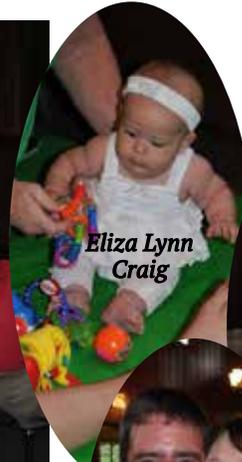

The *Yacky Yak* family history session displayed some of our outstanding story tellers. This part of the Reunion not only preserves an oral history of the family, but consistently provides some of its funniest moments. Robert Hatfield told about Polly Margaret Runyon Hatfield smoking her pipe (which Sheryle Sullivan brought to the picnic). Several of the younger children, including Guy and Katherine, stole tobacco out of her busom to take to the older children. Robert also revealed that Jeff Hatfield brought him a silver dollar for his birthday unlike the rest of his cousins. Janet Bowe and Phyllis Blackburn talked about the consternation of Guy and Lilly when sixteen-year-old Phyllis wanted to marry Paris. Since Guy and Lilly would not sign the marriage license, Phyllis and Paris had a cousin and another girl sign in their place which, her cousins pointed out, raised all kinds of questions. Robert Hatfield, Phyllis Blackburn, Paul Morris, Margaret Rader, Polly Breeze, Joe Breeze, Nina Rose Hatfield, Joy Kay Hatfield, Jason and Angelina Mays, Robin and Shelby Felty, Emily Howard, Steve Caudill, Willem Hatfield, Jack and Bennett Caudill, and Asher Bowe participated.

Glenna Rae Gooslin Hatfield was born October 6, 1947, to Cuzzie Wallace and Douglas M. Gooslin Sr. Glenna passed away on February 2, 2014, at the Appalachian Regional Hospital in South Williamson, Kentucky.

In addition to roles as homemaker, wife, mother, and grandmother, Glenna worked for the US Postal Service at McCarr, Kentucky, and at the Wal-Mart Super Center in South Williams, Kentucky. Glenna was a faithful member of the Samaria Primitive Baptist Church at Ransome, Kentucky, where her sweet voice will be sadly missed.

Glenna is survived by her husband, Leslie D. Hatfield of McCarr; three children, Rhonda McClanahan Epling, Ronny Lee McClanahan, and Jonathan McClanahan; two stepchildren, Jason Hatfield and Anthony Ward Hatfield; grandchildren, Joshua and Taylor Epling, Emma, Ethan, and Logal McClanahan, Virginia and Anthony W. Hatfield Jr., and Camron and Caleb Hatfield.

Glenna was married to Leslie on March 25, 1985, and they artfully blended their families. In the last several years, Glenna has struggled with her health. This did not stop her from providing loving care for grandson, Caleb, who has extensive physical challenges. She wanted you to come and visit and she helped family members working on the Anderson Hatfield Cemetery inventory with sandwiches, snacks, and a free rest stop.

Glenna was a sweet, thoughtful woman who is missed.
